explod.com

1. A Privacy Policy for Expload Site

This **Policy** (this **Policy**) sets forth the specifics of collection and processing by Ledorius Ltd (the **Company**) of data of individual users of www.expload.com (the **Site**).

This **Policy** describes how and what user data is collected by the **Company**, how this data is subsequently processed and used. This **Policy** applies to the **Site** and is posted and is constantly available at www.expload.com.

When downloading, registering, accessing or otherwise using the **Site**, you fully accept the terms of this **Policy** and express your clear voluntary consent to the processing of your data in the manner and for the purposes set forth herein. If you do not agree to this **Policy**, please refrain from accessing and using the **Site** or any other use thereof.

The **Company** may from time to time modify and/or supplement this **Policy** without prior written notice to users. The new versions hereof will be published at www.expload.com. You need to familiarize yourself with this **Policy** every three calendar days to track the changes and/or amendments hereto. If you continue to use the **Site** after any changes have been made hereto, you confirm your agreement to the new version hereof.

Some technical terms used in this **Policy** are given without explanation. If you do not know a term (for example, 'IP-address'), please read its description on public Internet resources. If the meaning of this term has not been clarified, please contact the **Company** (which contact details are listed in Section 6 hereof), and we will do our best to help you.

1.1. Purposes of Processing Your Data

The data is provided by you in connection with the use of the **Site** and related products and services.

The **Company** collects and processes your data in order to make the **Site's** operation more convenient, faster and safer for you, as well as to keep you posted on the **Site's** latest developments and functionality. This data enables the **Company** to maintain and develop the current functionalities of the **Site**.

Therefore, your data is processed by both the **Company** and its affiliates and partners.

Cases of data provision by you (without limitation):

- When creating and managing your account on the **Site**
- When using the **Site** in any way, including, in particular, by subscribing to news
- When accessing the **Site** with identifiers used by you to get access to third-party resources (such as your login or ID used in social media) or when inviting other users to use the **Site**
- When sending requests, letters or other types of communications with the **Company**
- When receiving requests from authorised agencies (in particular, state agencies responsible for information security, as well as interstate agencies), in cases established by the applicable law
- When investigating into cases of fraud using payment cards and other methods of payment

Your data is processed for the following purposes (without limitation):

- Enabling the use of the **Site**
- Interaction with other users during the use of the **Site**
- Interaction with other users to obtain comments on the **Site**, support for the **Site**

- Sending notifications and other important messages regarding the **Site** and its functionalities
- Analysis of the **Site's** effectiveness
- Providing support for you
- Informing you about the current status of the **Site**, events related to the **Site**, their updates and other similar events (for example, informing you about the launch of new opportunities for the **Site**), as well as about events related to the **Company's** other services

2. Data Scope

2.1. The data collected and processed by the Company/its affiliates and partners in connection with your use of the Site may include (without limitation):

- Your name, nickname on the **Site**
- Your mobile phone number and mobile network data
- Your email address
- Technical information about your device, operating system, applications and peripherals, which can be collected regularly for the purpose of providing updates to the **Site** and other possible services in connection with the **Site**

You are hereby informed and understand that when you access the **Site** using your social network account (if such a function is provided), data that is contained in your profile, including, but not limited to: name, photo or other image used as an avatar, ID number in this social network, e-mail address, language and other information which became available to the **Company**

and may be processed by the **Company**/its affiliates and partners in the manner established by this **Policy**. In addition, in this case, this data may be viewed by other users of the **Site**.

Make sure you read all the agreements/policies of the social network you use.

2.2. In order to provide quality services, the Company collects and processes additional non-personal data:

- Your unique identifier (created in the Expload system, may be invisible to you)
- Your IP address
- Your language and country of residence
- Version of the operating system of your mobile device
- Name of the country from which you access the **Site**
- Statistics that can be obtained based on your use of the **Site**
- Your messages in the **Site** chat (if this function is available)
- Data provided by you to obtain the **Company's** support for the **Site**
- Technical information about your device, operating system, applications and peripherals, which can be collected regularly for the purpose of providing updates to the **Site** and other possible services in connection with the **Site**

3. Use, Dissemination and Transfer of Your Data

The **Company** may collect, record, organize, store, modify, combine, group, depersonalize, delete, modify and use your data with other information (including other data collected by the **Company**, as defined in Section 2

hereof) for the maintenance, management and development of the **Site** and related products and services.

The **Company** may, for purposes such as ensuring the **Site's** operation and provision of related services, provide your data to its affiliates, partners (including mobile application developers).

For the purpose of providing related services for the **Site**, the **Company** may provide your personal data to advertising services, to services that provide tools for the **Site** analysis, as well as to services, which ensure necessary checks of your identity.

The **Company** does not sell your data to third parties.

You hereby express your voluntary consent that your data can be provided to third parties in the following cases:

- In cases listed in Section 3 above
- To comply with legal requirements, for example, investigation of fraud in payment transactions and any other illegal activities
- Where there are reasonable suspicions of a potential or existing violation of the rights of the **Company**, its affiliates, the owners of the **Site** and related products or other users, in order to protect the rights of the affected party;
- In cases of violation of intellectual property rights

4. Data Storage

The data storage period is the time during which the **Site** exists, unless otherwise provided for by the applicable law (for example, for the purpose of accounting or compliance with tax laws).

5. Other Provisions

You are responsible for the completeness and reliability of the data you provide. In case of any inconsistency and/or incorrectness in the data provided by you, it shall be amended, including by contacting the **Company's** representatives, as specified in Section 6 Contacts.

When you delete and/or amend your data, the **Company** reserves the right to store the data necessary to comply with the applicable laws, ensuring the **Site's** safety and effectiveness.

When you contact the **Company**, it may request additional data necessary for the consideration of the relevant request. If you do not provide such data, the request may not be processed.

The fact that you provide part of your data during your registration does not relieve you from the obligation to provide the evidence of data validity and the remaining data in the future (including, at the **Company's** direct request).

6. Contacts

If you have any questions regarding this **Policy** or handling of your data in connection with the use of the **Site**, you can contact us at: Georgiou Katsounotou, 6, 3036, Limassol, Cyprus (attn.: Ledorius Ltd) or by email: info@explode.com. Please, specify your name and other information necessary for full and complete consideration of your request.
